

JASON M. HERRICK, DDS, INC
13010 Butler Crest Drive
St. Louis, MO 63128
(314) 842-6200

Welcome to our practice. At the initial visit, as a service to our patients, all new patients will be given a comprehensive examination. A comprehensive exam includes: cancer screening of the head and neck, examination for cavities and defective restorations, periodontal screening for gum disease, examination of the TM joint and evaluation of the patient's bite. In order to properly diagnose bone loss, infections, tumors and cysts in the upper and lower jaws, a full-mouth series of x-rays will be taken. Even if you have recently had x-rays at another office, new x-rays will be taken if the copies of x-rays are not of diagnostic quality.

Please complete both sides of the enclosed health history and return to our office by mail or bring with you to your appointment. We also ask that you bring your insurance card with you to your appointment.

Payment is due at the time the services are rendered, we accept cash, check, Visa, Mastercard and Discover.

For your convenience, we have enclosed a reminder card with your appointment time. If you need to reschedule your appointment, we request that you give our office a minimum of 24-hour notice so that we may accommodate other patients in our schedule.

Thank you for choosing our dental office. We look forward to meeting you.

Sincerely,

Jason M. Herrick, DDS
